Your paint code is usually on a metal plate, the size of a wallet – please see below the possible locations the code plates are usually found on your vehicle.

What does your Fiat paint code plate look like?

Fiat paint codes are always 3 numbers sometimes with a letter on the end - for example: 111a, 268, 876b

We can also match to the exact colour name, for example: **avorio pastello, beige cappuccino mocalatte, verde latte**mentana.
