Your paint code is usually on a metal plate, the size of a wallet – please see below the possible locations the code plates are usually found on your vehicle.

What does your Suzuki paint code plate look like?

Suzuki paint codes are usually 3 digits, and can be either all letters (usually including a Z) or a mix of letters and numbers – for example: **ZWP, ZCE, Z7T, 26U**

We can also match to the exact colour name, for example: **Silky Silver, Fervent Red, Sunlight Copper.**
