VAUXHALL

Your paint code is usually on a metal plate, the size of a wallet – please see below the possible locations the code plates are usually found on your vehicle.

What does your Vauxhall paint code plate look like?

Vauxhall (also known as Opel) codes usually comprise 3 digits which can be a combination of letters and number, for example: **GAZ, 40R, 547**

We can also match to the exact colour name, for example: **Pull Me Over red, Switchblade silver, Agean Blue.**
